

Article 34.

Animal Diseases.

Part 1. Quarantine and Miscellaneous Provisions.

§ 106-304. Proclamation of livestock and poultry quarantine.

Upon the recommendation of the Commissioner of Agriculture, it shall be lawful for the Governor to issue his proclamation forbidding the importation into this State of any and all kinds of livestock and poultry from any state where there is known to prevail contagious or infectious diseases among the livestock and poultry of such state. (1915, c. 174, s. 1; C.S., s. 4871; 1969, c. 606, s. 1.)

§ 106-305. Proclamation of infected feedstuff quarantine.

Upon the recommendation of the Commissioner of Agriculture, it shall be lawful for the Governor to issue his proclamation forbidding the importation into this State of any feedstuff or any other article or material dangerous to livestock and poultry as a carrier of infectious or contagious disease from any area outside the State. This shall also include any and all materials imported for manufacturing purposes or for any other use, which have been tested by any state or federal agency competent to make such tests and found to contain living infectious and contagious organisms known to be injurious to the health of man, livestock and poultry. (1915, c. 174, s. 2; C.S., s. 4872; 1953, c. 1328; 1969, c. 606, s. 1.)

§ 106-306. Rules to enforce quarantine.

Upon such proclamation being made, the Commissioner of Agriculture shall have power to make rules and regulations to make effective the proclamation and to stamp out such infectious or contagious diseases as may break out among the livestock and poultry in this State. (1915, c. 174, s. 3; C.S., s. 4873; 1969, c. 606, s. 1.)

§ 106-307. Violation of proclamation or rules.

Any person, firm, or corporation violating the terms of the proclamation of the Governor, or any rule or regulation made by the Commissioner of Agriculture in pursuance thereof, shall be guilty of a Class 2 misdemeanor. (1915, c. 174, s. 4; C.S., s. 4874; 1969, c. 606, s. 1; 1993, c. 539, s. 762; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 106-307.1. Serums, vaccines, etc., for control of animal diseases.

The North Carolina Department of Agriculture and Consumer Services is authorized and empowered to purchase for resale serums, viruses, vaccines, biologics, and other products for the control of animal and poultry diseases. The resale of said serums, viruses, vaccines, biologics and other products shall be at a reasonable price to be determined by the Commissioner of Agriculture. (1943, c. 640, s. 1; 1969, c. 606, s. 1; 1997-261, s. 49.)

§ 106-307.2. Reports of infectious disease in livestock and poultry to State Veterinarian.

(a) All persons practicing veterinary medicine in North Carolina shall report promptly to the State Veterinarian the existence of any reportable contagious or infectious disease in livestock and poultry. The Board of Agriculture shall establish by rule a list of animal diseases and conditions to be reported and the time and manner of reporting.

(b) The State Veterinarian shall notify the State Health Director and the Director of the Division of Public Health in the Department of Health and Human Services when the State Veterinarian receives a report indicating an occurrence or potential outbreak of anthrax, arboviral infections, brucellosis, epidemic typhus, hantavirus infections, murine typhus, plague, psittacosis, Q fever, hemorrhagic fever, virus infections, and any other disease or condition transmissible to humans that the State Veterinarian determines may have been caused by a terrorist act. (1943, c. 640, s. 2; 1969, c. 606, s. 1; 2002-179, s. 9; 2011-145, s. 13.3(oo).)

§ 106-307.3. Quarantine of infected or inoculated livestock.

Hog cholera and other contagious and infectious diseases of livestock are hereby declared to be a menace to the livestock industry and all livestock infected with or exposed to a contagious or infectious disease may be quarantined by the State Veterinarian or his authorized representative in accordance with regulations promulgated by the State Board of Agriculture. All livestock that are inoculated with a product containing a living virus or other organism are subject to quarantine at the time of inoculation in accordance with regulations promulgated by the State Board of Agriculture: Provided, nothing herein contained shall be construed as preventing anyone entitled to administer serum or vaccine under existing laws from continuing to administer same. (1943, c. 640, s. 3; 1969, c. 606, s. 1.)

§ 106-307.4. Quarantine of inoculated poultry.

All poultry that are inoculated with a product containing a living virus or other organism capable of causing disease shall be quarantined at the time of inoculation in accordance with regulations promulgated by the State Board of Agriculture. Provided nothing herein contained shall be construed as preventing anyone entitled to administer vaccines under existing laws from continuing to administer same. (1969, c. 606, s. 1.)

§ 106-307.5. Livestock and poultry brought into State.

All livestock and poultry transported or otherwise brought into this State shall be in compliance with regulations promulgated by the State Board of Agriculture. (1943, c. 640, s. 4; 1969, c. 606, s. 1.)

§ 106-307.6. Violation made misdemeanor.

Any person, firm or corporation who shall violate any provisions set forth in G.S. 106-307.1 to 106-307.5 or any rule or regulation duly established by the State Board of Agriculture shall be guilty of a Class 2 misdemeanor. (1943, c. 640, s. 6; 1969, c. 606, s. 1; 1993, c. 539, s. 763; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 106-307.7. Diseased livestock running at large.

Whenever the State Veterinarian is informed or reasonably believes that certain livestock is infected with or has been exposed to any contagious or infectious disease, that such livestock is running at large and that such livestock cannot be captured with the exercise of reasonable diligence, the State Veterinarian shall have authority to direct the appropriate sheriff or other proper officer to destroy such livestock in a reasonable manner and such sheriff or other officer shall make diligent effort to destroy such livestock. (1971, c. 676.)

Part 2. Foot and Mouth Disease; Rinderpest; Fowl Pest; Newcastle Disease.

§ 106-308. Appropriation to combat animal and fowl diseases.

If the foot and mouth disease, rinderpest (cattle plague), fowl pest, or Newcastle disease (Asiatic or European types), or any other type of foreign infectious disease which may become a menace to livestock and poultry and so declared to be by the Secretary of Agriculture of the United States, Chief of the United States Bureau of Animal Industry and the Commissioner of Agriculture of North Carolina, seem likely to appear in this State and an emergency as to such disease or diseases is declared by the Secretary of Agriculture of the United States, or his authorized agents, and the North Carolina Department of Agriculture and Consumer Services has no funds available to immediately meet the situation in cooperation with the United States Department of Agriculture, the Director of the Budget, upon approval of the Governor and Council of State, shall set aside, appropriate and make available out of the Contingency and Emergency Fund such sum as the Governor and Council of State shall deem proper and necessary, and the Budget Bureau shall place said funds in an account to be known as the Animal and Fowl Disease Appropriation and make same available to the North Carolina Department of Agriculture and Consumer Services, to be used by the North Carolina Department of Agriculture and Consumer Services in the work of preventing or eradicating the above diseases, or any of them. Funds from the above appropriation shall be paid only for work in this connection upon warrants approved by the Commissioner of Agriculture. The provisions of Part 4 of Article 34 of Chapter 106 of the General Statutes relating to the compensation for killing diseased animals shall be applicable to animals infected with or exposed to the diseases named and described in this section, as well as to the destruction of material contaminated by or exposed to the diseases described in this section, as well as the necessary cost of the disinfection of materials. In no event shall any of the above appropriation be spent for the purposes set forth in this section unless the funds appropriated by this State are matched in an equal amount by the federal government or one of its agencies to be spent for the same purposes. (1915, c. 160, s. 1; C.S., s. 4875; 1951, c. 799; 1997-261, s. 109.)

§ 106-309. Disposition of surplus funds.

If said disease shall have appeared and shall have been eradicated and work is no longer necessary in connection with it, the State Treasurer shall return such part of the appropriation as is not expended to the general fund, and the Commissioner of Agriculture shall furnish the Governor an itemized statement of the money expended, and all moneys set aside out of the State funds and used for the purpose of eradicating said disease under the provisions of this Article shall be paid back to the State funds by the Department of Agriculture and Consumer Services out of the first

funds received by said agricultural Department available for such purpose. (1915, c. 160, s. 2; C.S., s. 4876; 1997-261, s. 109.)

Part 3. Hog Cholera

§ 106-310. Burial of hogs dying natural death required.

It shall be the duty of every person, firm, or corporation who shall lose a hog by any form of natural death to have the same buried in the earth to a depth of at least two feet within 12 hours after the death of the animal. Any person, firm, or corporation that shall fail to comply with the terms of this section shall be guilty of a Class 3 misdemeanor, and shall be fined not less than five dollars (\$5.00) nor more than ten dollars (\$10.00) for each offense, at the discretion of the court. (1915, c. 225; C.S., s. 4877; 1993, c. 539, s. 764; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 106-311. Hogs affected with cholera to be segregated and confined.

If any person having swine affected with the disease known as hog cholera, or any other infectious or contagious disease, who discovers the same, or to whom notice of the fact shall be given, shall fail or neglect for one day to secure the diseased swine from the approach of or contact with other hogs not so affected, by penning or otherwise securing and effectually isolating them so that they shall not have access to any ditch, canal, branch, creek, river or other watercourse which passes beyond the premises of the owners of such swine, he shall be guilty of a Class 3 misdemeanor. (1889, c. 173, s. 1; 1891, c. 67, ss. 1, 3; 1899, c. 47; 1903, c. 106; Rev., s. 3297; 1913, c. 120; C.S., s. 4490; 1993, c. 539, s. 765; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 106-312. Shipping hogs from cholera-infected territory.

It shall be unlawful for any person, firm or corporation in any district or territory infected by cholera to bring, carry, or ship hogs into any stock-law section or territory, unless such hogs have been certified to be free from cholera either by the farm demonstration agent of the county or some other suitable person to be designated by the clerk of the superior court. Any violation of this section shall constitute a Class 1 misdemeanor. (1917, c. 203; C.S., s. 4491; 1993, c. 539, s. 766; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 106-313. Price of serum to be fixed.

The Department of Agriculture and Consumer Services shall fix the price of anti-hog-cholera serum at such an amount as will cover the cost of production. (1917, c. 275, s. 1; 1919, c. 6; C.S., s. 4878; 1997-261, s. 50.)

§ 106-314. Manufacture and use of serum and virus restricted.

It shall be unlawful for any person, firm, or corporation to distribute, sell, or use in the State anti-hog-cholera serum unless said anti-hog-cholera serum is produced at the serum plant of the State Department of Agriculture and Consumer Services, or produced in a plant which is licensed by the Biological Products Licensing Section, Animal Inspection and Quarantine Division, Agricultural Research Service of the United States Department of Agriculture, allowing said plant to do an interstate business.

It shall be unlawful for any person, firm, or corporation to distribute, sell, or use in the State of North Carolina, virulent blood from hog-cholera-infected hogs, or virus, unless said virulent blood, or virus, is produced at the serum plant of the State Department of Agriculture and Consumer Services or produced in a plant which is licensed by the Biological Products Licensing Section, Animal Inspection and Quarantine Division, Agricultural Research Service of the United States Department of Agriculture, allowing said plant to do an interstate business. No virulent blood from hog-cholera-infected hogs, or virus, shall be distributed, sold or used in the State unless and until permission has been given in writing by the State Veterinarian for such distribution, sale or use. Said permission to be cancelled by the State Veterinarian when necessary.

Any person, firm, or corporation guilty of violating the provisions of this section or failing or refusing to comply with the requirements thereof shall be guilty of a Class 1 misdemeanor. (1915, c. 88; 1919, c. 125, ss. 1, 2, 3; C.S., s. 4879; 1959, c. 576, s. 1; 1993, c. 539, s. 767; 1994, Ex. Sess., c. 24, s. 14(c); 1997-261, s. 109.)

§ 106-315. Written permit from State Veterinarian for sale, use or distribution of hog-cholera virus, etc.

No hog-cholera virus or other product containing live virus or organisms of animal diseases shall be distributed, sold, or used within the State unless permission has been given in writing by the State Veterinarian for such distribution, sale, or use, said permission to be cancelled by the State Veterinarian when he deems same necessary. (1939, c. 360, s. 5; 1959, c. 576, s. 2.)

§ 106-316. Counties authorized to purchase and supply serum.

If the county commissioners of any county in the State deem it necessary to use anti-hog-cholera serum to control or eradicate the disease known as hog cholera, they are authorized within their discretion to purchase from the State Department of Agriculture and Consumer Services sufficient anti-hog-cholera serum and virus for use in their county and supply same free of cost to the residents of the county, or pay for any portion of the cost of said serum, the remaining portion to be paid by the owners of the hogs.

The use of anti-hog-cholera serum and virus and the quarantine of diseased animals shall remain under the supervision of the State Veterinarian.

Nothing in this section shall in any way interfere with existing laws and regulations covering the use of anti-hog-cholera serum and virus and the quarantine and control of contagious diseases, or any laws or regulations that may become necessary in the future. (1919, c. 132; C.S., s. 4881; 1997-261, s. 109.)

§ 106-316.1. Purpose of §§ 106-316.1 to 106-316.5.

It is the purpose and intent of G.S. 106-316.1 to 106-316.5 to safeguard the swine industry in North Carolina through a program designed to prevent the spread of hog cholera by prohibiting and restricting the use of virulent hog-cholera virus; to provide for the use of modified live virus hog-cholera vaccines that have been licensed as such by the Biological Products Licensing Section, Animal Inspection and Quarantine Division, Agricultural Research Service of the United States Department of Agriculture; to empower the State Board of Agriculture to establish rules and regulations and the Commissioner of Agriculture to establish emergency rules and regulations governing the movement of hogs into the State from other states and within the State; to establish rules and regulations designating the minimum dosage of anti-hog-cholera serum and antibody

concentrate that shall be used in combination with modified live-virus hog-cholera vaccines on swine vaccinated at public livestock markets and other places; and to establish such other rules and regulations and emergency rules and regulations as may be necessary for carrying out the purposes of G.S. 106-316.1 to 106-316.5. (1955, c. 824, s. 1; 1959, c. 576, s. 3.)

§ 106-316.2. Use of virulent hog-cholera virus prohibited without permit; virulent hog-cholera virus defined; use of modified live virus vaccines.

Notwithstanding any other provision of the law, either general, public-local, special or private, and except as herein provided, the possession, sale and use of virulent hog-cholera virus in North Carolina is hereby prohibited. Virulent hog-cholera virus referred to in this section means any unattended hog-cholera virus collected directly or indirectly from blood or other tissues of swine infected with hog cholera which has not been licensed as a modified live virus hog-cholera vaccine. The State Veterinarian may issue a permit authorizing the sale, possession and use of virulent hog-cholera virus only for the purpose of laboratory diagnosis; official research programs; production of anti-hog-cholera serum, antibody concentrate, modified live virus, killed virus vaccine, and similar biological products; and following a declaration that a state of emergency exists in a designated quarantined hog-cholera area or areas within the State by the Commissioner of Agriculture of North Carolina. The use of virulent hog-cholera virus during a declared state of emergency shall be under the direct supervision of the State Veterinarian or his authorized representative. Modified live-virus hog-cholera vaccines that have been licensed as such by the Biological Products Licensing Section, Animal Inspection and Quarantine Division, Agricultural Research Service of the United States Department of Agriculture may be sold and used in compliance with the General Statutes of North Carolina and the rules, regulations, definitions and standards adopted by the North Carolina Board of Agriculture and the emergency rules and regulations established by the Commissioner of Agriculture. (1955, c. 824, s. 2; 1959, c. 576, s. 4.)

§ 106-316.3. Unlawful to import hogs inoculated with virulent virus; exceptions for immediate slaughter; health certificate and permit required.

It shall be unlawful to bring hogs into North Carolina that have been inoculated with virulent hog-cholera virus less than 30 days prior to the date of entry, except for immediate slaughter, and in addition thereto the transportation or importation of such hogs that have been inoculated with virulent hog-cholera virus must be accompanied by the health certificate and permit as required by the rules and regulations of the North Carolina Board of Agriculture or emergency rules and regulations of the North Carolina Commissioner of Agriculture. The provisions of this section shall not be construed to be in conflict with or to repeal any provisions of G.S. 106-317 through 106-322 or any other statute or rule or regulation prohibiting, restricting or controlling the interstate movement of hogs for other reasons. (1955, c. 824, s. 3; 1959, c. 576, s. 5.)

§ 106-316.4. Penalties for violation of §§ 106-316.1 to 106-316.5.

Any person, firm or corporation violating the provisions of G.S. 106-316.1 to 106-316.5 shall be guilty of a Class 1 misdemeanor. (1955, c. 824, s. 4; 1993, c. 539, s. 768; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 106-316.5. Repealed by Session Laws 1963, c. 1084, s. 2.

§ 106-317. Regulation of the transportation or importation of hogs and other livestock into State.

To prevent the spread of hog cholera, vesicular exanthema, vesicular stomatitis, foot-and-mouth disease, or any other contagious, infectious and communicable swine disease in North Carolina, the North Carolina Board of Agriculture is authorized and empowered to promulgate rules and regulations governing the transportation and importation of swine into North Carolina from any other state or territory: Provided, that following a proclamation by the Secretary of Agriculture of the United States and the Commissioner of Agriculture of North Carolina that a state of emergency exists, arising from the existence of a dangerous contagious and infectious disease of livestock which threatens the livestock industry of the country, the North Carolina Commissioner of Agriculture is empowered and authorized to immediately promulgate emergency rules and regulations governing the movement of swine and other livestock within the State and prohibiting, restricting and/or controlling the transportation and importation of swine and other livestock into North Carolina for the duration of the emergency. The emergency rules and regulations promulgated by the North Carolina Commissioner of Agriculture shall be subject to approval, disapproval or change at the next regular or special meeting of the North Carolina Board of Agriculture. The North Carolina Board of Agriculture under the authority of this section may by regulation establish a system of health certificates and permits for the better protection of the swine and livestock of this State. (1941, c. 373, s. 1; 1955, c. 424, s. 1.)

§ 106-318. Issuance of health certificates for swine and livestock; inspection.

Such health certificates that may be required under the rules and regulations by the Board of Agriculture or the emergency rules and regulations of the Commissioner of Agriculture shall be issued by a State, federal or duly licensed veterinarian in the state of origin certifying that the swine or other livestock transported and imported are healthy and not infected with or exposed to a contagious, infectious or communicable swine or other livestock disease, and all permits required under such rules and regulations shall be in possession of the owner or agent in charge, at all times until delivery of such swine or other livestock, and upon request, the owner or agent in charge shall produce said required certificate and permit for inspection by any police or peace officer or inspection agent of this State or any county thereof. The burden shall be on the person transporting said swine or other livestock to prove the origin, identity and destination of such swine and other livestock. (1941, c. 373, s. 2; 1955, c. 424, s. 2.)

§ 106-319. Burial of hogs and other livestock dying in transit.

It shall be the duty of any owner or agent having in charge any swine or other livestock imported or transported into this State who shall, before delivery lose a hog or other livestock from natural or unnatural death to have the same delivered to a rendering plant or buried in the area to a depth of at least two feet within 12 hours after death of said swine or other livestock. (1941, c. 373, s. 3; 1955, c. 424, s. 3.)

§ 106-320. Repealed by Session Laws 1963, c. 1084, s. 2.

§ 106-321. Penalties for violation.

Any person, firm or corporation who shall violate any provision set forth in this Article or any rule or regulation duly established by the State Board of Agriculture or emergency rules and regulations established by the Commissioner of Agriculture shall be guilty of a Class 1 misdemeanor. (1941, c. 373, s. 5; 1955, c. 424, s. 4; 1993, c. 539, s. 769; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 106-322. Effect of §§ 106-317 to 106-322.

Sections 106-317 to 106-322 shall not repeal Article 34, Chapter 106, but shall be complementary thereto. (1941, c. 373, s. 6.)

§ 106-322.1. State-federal hog-cholera cooperative agreements; establishment of hog-cholera eradication areas.

The Commissioner of Agriculture is authorized to enter into cooperative State-federal agreements with the United States Department of Agriculture for the purpose of State-federal programs for the control and eradication of hog cholera. The Commissioner of Agriculture may designate individual counties or two or more counties as hog-cholera eradication areas. (1963, c. 1084, s. 1.)

§ 106-322.2. Destruction of swine affected with or exposed to hog cholera; indemnity payments.

If it appears in the judgment of the State Veterinarian to be necessary for the control and eradication of hog cholera to destroy or slaughter swine affected with or exposed to such disease, the State Veterinarian is authorized to order said swine destroyed or slaughtered, notwithstanding the wishes of the owners of said swine, provided that if the owner contests the diagnosis of hog cholera he shall be entitled to a review of the case by a licensed practicing veterinarian, the State Veterinarian, or his authorized representative, and the federal inspector in charge, or his authorized representative, to determine that a diagnosis of hog cholera was arrived at by the use of accepted, standard diagnostic techniques. The State Veterinarian is authorized to agree on the part of the State, in the case of swine destroyed or slaughtered on account of being affected with hog cholera or exposure to same to pay one half of the difference between the appraised value of each animal destroyed or slaughtered and the value of the salvage thereof; provided, that the State indemnity shall not be in excess of the indemnity payments made by the federal cooperating agency; provided further, that State indemnity payments shall be restricted to swine located on the farm or feedlot of the owner or authorized representative of the owner; provided further, that in no case shall any payments by the State be more than twenty-five dollars (\$25.00) for any grade swine nor more than one hundred dollars (\$100.00) for any purebred swine and subject to available State funds. The procedure for appraisal, disposal and salvage of slaughtered or destroyed swine shall be carried out in the same manner as that required under the General Statutes of North Carolina governing compensation for killing other diseased animals provided, however, that the appraisal may be made by the owner, or his representative, and the State Veterinarian, or his authorized representative, when agreement on the appraised value of the swine can be made; provided, further, that swine which entered the State 30 days or more before developing symptoms of hog cholera may be appraised in the same manner as swine which originate in North Carolina.

For the purposes of this section, "purebred swine" shall mean any swine upon which a certificate of pure breeding has been issued by a purebred swine association, or swine not more than 12 months of age eligible to receive such a certificate. (1963, c. 1084, s. 1; 1967, c. 105; 1969, c. 525, ss. 1, 2.)

§ 106-322.3. When indemnity payments not to be made.

No payments shall be made for any swine slaughtered in the following cases:

- (1) If the owner does not clean up and disinfect premises as directed by an inspector of the Animal Health Division, Agricultural Research Service, United States Department of Agriculture or the State Veterinarian or his authorized representative;
- (2) Where the owner has not complied with the livestock disease control laws and regulations applicable to hog cholera;
- (3) For swine in a herd in which hog-cholera vaccine has been used illegally on one or more animals in the herd;
- (4) Swine involved in an outbreak in which the existence of hog cholera has not been confirmed by the State Veterinarian or his authorized representative;
- (5) Swine belonging to the United States or the State of North Carolina;
- (6) Swine brought into the State in violation of State laws or regulations;
- (7) Swine which the claimant knew to be affected with hog cholera, or had notice thereof, at the time they came into his possession;
- (8) Swine which have not been within the State of North Carolina for at least 30 days prior to discovery of the disease;
- (9) Where the owner does not use reasonable care in protecting swine from exposure to hog cholera;
- (10) Where the owner has failed to submit the reports required by the United States Department of Agriculture and the North Carolina Department of Agriculture and Consumer Services for animals on which indemnity is paid under Article 34.
- (11) Swine purchased by a buying station for slaughter which are not slaughtered within 10 days of purchase. (1969, c. 525, s. 21/2; 1997-261, s. 51.)

Part 4. Compensation for Killing Diseased Animals.

§ 106-323. State to pay part of value of animals killed on account of disease; purchase by State of animals exposed to certain diseases.

If it appears to be necessary for the control or eradication of Bang's disease and tuberculosis and paratuberculosis in cattle, or glanders in horses and mules, to destroy such animals affected with such diseases and to compensate owners for loss thereof, the State Veterinarian is authorized, within his discretion, to agree on the part of the State, in the case of cattle destroyed for Bang's disease and tuberculosis, and paratuberculosis to pay one third of the difference between the appraised value of each animal so destroyed and the value of the salvage thereof: Provided, that in no case shall any payment by the State be more than twenty-five dollars (\$25.00) for any grade animal nor more than one hundred dollars (\$100.00) for any purebred animal; provided further, that the State indemnity shall not be in excess of the indemnity payments made by the federal

government. In the case of horses or mules destroyed for glanders, to pay one half of the appraised value, said half not to exceed one hundred dollars (\$100.00).

The State Veterinarian is also authorized, in his discretion, and subject to the maximum payment hereinabove provided, to purchase in the name of the State, cattle which have been exposed to Bang's disease, tuberculosis or paratuberculosis and horses and mules which have been exposed to glanders. (1919, c. 62, s. 1; C.S., s. 4882; 1929, c. 107; 1939, c. 272, ss. 1, 2; 1969, c. 525, s. 3; 1973, c. 1122.)

§ 106-324. Appraisal of cattle affected with Bang's disease and tuberculosis.

Cattle affected with Bang's disease and tuberculosis and paratuberculosis shall be appraised by three men – one to be chosen by the owner, one by the United States Bureau of Animal Industry, and one by the State Veterinarian. If the United States Bureau of Animal Industry is not represented, then the appraisers shall be chosen, one by the owner, one by the State Veterinarian, the third by the first two named. The finding of such appraisers shall be final. (1919, c. 62, s. 2; C.S., s. 4883; 1929, c. 107; 1939, c. 272, s. 1.)

§ 106-325. Appraisal of animals affected with glanders; report.

Animals affected with glanders shall be appraised by three men – one to be chosen by the owner, one to be chosen by the State Veterinarian, the third to be named by the first two chosen, the finding of such appraisers to be final. The report of appraisal to be made in triplicate on forms furnished by the State Veterinarian, and a copy sent to the State Veterinarian at once. (1919, c. 62, s. 3; C.S., s. 4884.)

§ 106-326. Report of appraisal of cattle affected with Bang's disease and tuberculosis to State Veterinarian; contents.

Appraisals of cattle affected with Bang's disease or tuberculosis shall be reported on forms furnished by the State Veterinarian, which shall show the number of animals, the appraised value of each per head, or the weight and appraised value per pound, and shall be signed by the owners and the appraisers. This report must be made in triplicate and a copy sent to the State Veterinarian: Provided, that the State Veterinarian may change the forms for making claims so as to conform to the claim forms used by the United States Department of Agriculture. (1919, c. 62, s. 4; C.S., s. 4885; 1939, c. 272, ss. 1, 3.)

§ 106-327. Marketing of cattle affected with Bang's disease and tuberculosis.

Each owner of cattle affected with Bang's disease or tuberculosis, which have been appraised, and which have been authorized by the State Veterinarian to be marketed, shall market the cattle within 30 days and shall obtain from the purchaser a report in triplicate. One copy to be sent by the State Veterinarian at once, certifying as to the amount of money actually paid for the animals, all animals to be identified on report. (1919, c. 62, s. 5; C.S., s. 4886; 1939, c. 272, s. 1.)

§ 106-328. Report on salvage.

When the appraised cattle have been slaughtered and the amount of salvage ascertained, a report, on forms furnished by the State Veterinarian, in triplicate shall be made, signed by the

owner and the United States Bureau of Animal Industry or State inspector and the appraisers by which the animals were appraised and destroyed, showing the difference between the appraised value and salvage. Two copies are to be attached to the voucher in which compensation is claimed, and one copy to be furnished by the owner of cattle. (1919, c. 62, s. 6; C.S., s. 4887.)

§ 106-329. Compensation when killing ordered.

Compensation for animals destroyed on account of glanders will only be paid when such destruction is ordered by the State Veterinarian or his authorized representative. When the owner of the animals presents his claim he shall support same with the original report of the appraiser, together with the report of the inspector who destroyed the animal, to the State Veterinarian. (1919, c. 62, s. 7; C.S., s. 4888.)

§ 106-330. Ownership of destroyed animals; outstanding liens.

When animals have been destroyed pursuant to this Article the inspector shall take reasonable precautions to determine, prior to his approval of vouchers in which compensation is claimed, who is the owner of and whether there are any mortgages or other liens outstanding against the animals. If it appears that there are outstanding liens, a full report regarding same shall be made and shall accompany the voucher. Every such report shall include a description of the liens, the name of the person or persons having possession of the documentary evidence, and a statement showing what arrangements, if any, have been made to discharge the liens outstanding against the animals destroyed of which the inspector may have knowledge. (1919, c. 62, s. 8; C.S., s. 4889.)

§ 106-331. State not to pay for feed of animals ordered killed.

Expense for the care and feeding of animals held for slaughter shall not be paid by the State. (1919, c. 62, s. 9; C.S., s. 4890.)

§ 106-332. Disinfection of stockyards by owners.

Stockyards, pens, cars, vessels and other premises and conveyances will be disinfected whenever necessary for the control and eradication of disease by the owners at their expense under the supervision of an inspector of the United States Bureau of Animal Industry or State Veterinarian. (1919, c. 62, s. 10; C.S., s. 4891.)

§ 106-333. Payments made only on certain conditions.

No payments shall be made for any animal slaughtered in the following cases:

- (1) If the owner does not disinfect premises, etc., as directed by an inspector of the United States Bureau of Animal Industry or the State Veterinarian.
- (2) For any animals destroyed where the owner has not complied with all lawful quarantine regulations.
- (3) Animals reacting to a test not approved by the State Veterinarian.
- (4) Animals belonging to the United States.
- (5) Animals brought into the State in violation of the State laws and regulations.
- (6) Animals which the owner or claimant knew to be diseased, or had notice thereof, at the time they came into his possession.

- (7) Animals which had the disease for which they were slaughtered or which were destroyed by reason of exposure to the disease, at the time of their arrival in the State.
- (8) Animals which have not been within the State of North Carolina for at least 120 days prior to the discovery of the disease.
- (9) Where owner does not use reasonable care in protecting animals from disease.
- (10) Where owner has failed to submit the necessary reports as required by this Article.
- (11) Any unregistered bull. (1919, c. 62, s. 11; C.S., s. 4892; 1939, c. 272, s. 4.)

§ 106-334. Owner's claim for indemnity supported by reports.

The owner must present his claim for indemnity to the State Veterinarian for approval, and the claim shall be supported with the original report of the appraisers, the original report of the sale of the animals in the case of cattle destroyed on account of Bang's disease and tuberculosis, the certificate of the State or United States Bureau of Animal Industry inspector, and a summary of the claim. All of which shall constitute a part of the claim.

The owner must state whether or not the animals are owned entirely by him or advise fully of any partnership, and describe fully any mortgages or other liens against animals. (1919, c. 62, s. 12; C.S., s. 4893; 1939, c. 272, s. 1.)

§ 106-335. State Veterinarian to carry out provisions of Article; how moneys paid out.

The State Veterinarian is authorized, himself or by his representative, to do all things specified in this Article. All moneys authorized to be paid shall be paid from the State treasury and the State Treasurer is hereby authorized to make such payment. (1919, c. 62, s. 13; C.S., s. 4894; 1983, c. 913, s. 13.)

Part 5. Tuberculosis.

§ 106-336. Animals reacting to tuberculin test.

All animals reacting to a tuberculin test applied by a qualified veterinarian shall be known as reactors and be forever considered as affected with tuberculosis. (1921, c. 177, s. 1; C.S., s. 4895(a).)

§ 106-337. Animals to be branded.

All veterinarians who, either by clinical examination or by tuberculin test, find an animal affected with tuberculosis, shall, unless the animal is immediately slaughtered, properly brand said animal for identification on the left jaw with the letter "T," not less than two inches high, and promptly report the same to the State Veterinarian. (1921, c. 177, s. 2; C.S., s. 4895(b).)

§ 106-338. Quarantine; removal or sale; sale and use of milk.

The owner or owners of an animal affected with tuberculosis shall keep said animal isolated and quarantined in such a manner as to prevent the spread of the disease to the other animals or man. Said animals must not be moved from the place where quarantined or sold, or otherwise disposed of except upon permission of the State Veterinarian, and then only in accordance with

his instructions. The milk from said animals must not be sold, and if used shall be first boiled or properly pasteurized. (1921, c. 177, s. 3; C.S., s. 4895(c).)

§ 106-339. Seller liable in civil action.

Any person or persons who sell or otherwise dispose of to another an animal affected with tuberculosis shall be liable in a civil action to any person injured, and for any and all damages resulting therefrom. (1921, c. 177, s. 4; C.S., s. 4895(d).)

§ 106-340. Responsibility of owner of premises where sale is made.

When cattle are sold or otherwise disposed of in this State by a nonresident of this State, the person or persons on whose premises the cattle are sold or otherwise disposed of with his knowledge and consent shall be equally responsible for violation of this law and the regulations of the Department of Agriculture and Consumer Services. (1921, c. 177, s. 5; C.S., s. 4895(e); 1997-261, s. 109.)

§ 106-341. Sale of tuberculin.

No person, firm, or corporation shall sell or distribute or administer tuberculin, or keep the same on hand for sale, distribution, or administration, except qualified veterinarians, licensed physicians, or licensed druggists, or others lawfully engaged in the sale of biological products. (1921, c. 177, s. 6; C.S., s. 4895(f).)

§ 106-342. Notice to owner of suspected animals; quarantine.

When the State Veterinarian receives information, or has reason to believe, that tuberculosis exists in any animal or animals, he shall promptly notify the owner or owners, and recommend that a tuberculin test be applied to said animals, that diseased animals shall be properly disposed of, and the premises disinfected under the supervision of the State Veterinarian, or his authorized representative. Should the owner or owners fail or refuse to comply with the said recommendations of the State Veterinarian within 10 days after said notice, then the State Veterinarian shall quarantine said animals on the premises of the owner or owners. Said animals shall not be removed from the premises where quarantined and milk or other dairy products from same shall not be sold or otherwise disposed of. Said quarantine shall remain in effect until the said recommendations of the State Veterinarian have been complied with, and the quarantine canceled by the State Veterinarian. (1921, c. 177, s. 7; C.S., s. 4895(g).)

§ 106-343. Appropriations by counties; elections.

The several boards of county commissioners in the State are hereby expressly authorized and empowered to make such appropriations from the general funds of their county as will enable them to cooperate effectively with the state Department of Agriculture and Consumer Services and Federal Department of Agriculture in the eradication of tuberculosis in their respective counties: Provided, that if in 10 days after said appropriation is voted, one fifth of the qualified voters of the county petition the board of commissioners to submit the question of tuberculosis eradication or no tuberculosis eradication to the voters of the county, said commissioners shall submit such questions to

said voters. Said election shall be held and conducted under G.S. 163A-1592. If at any such election a majority of the votes cast shall be in favor of said tuberculosis eradication, the said board shall record the result of the election upon its minutes, and cooperative tuberculosis eradication shall be taken up with the state Department of Agriculture and Consumer Services and Federal Department of Agriculture. If, however, a majority of the votes cast shall be adverse, then said board shall make no appropriation. (1921, c. 177, s. 8; C.S., s. 4895(h); 1997-261, s. 109; 2013-381, s. 10.15; 2017-6, s. 3.)

§ 106-344. Petition for election if commissioners refuse cooperation; order; effect.

If the board of commissioners of any county should exercise their discretion and refuse to cooperate as set out in G.S. 106-343, then if a petition is presented to said board by one fifth of the qualified voters of the county requesting that an election be held as provided in G.S. 106-343 to determine the question of tuberculosis eradication in the county, the board of commissioners shall order said election to be held in the way provided in G.S. 106-343, and if a majority of the votes cast at such election shall be in favor of tuberculosis eradication, then said board shall cooperate with the State and federal governments as herein provided. (1921, c. 177, s. 9; C.S., s. 4895(i).)

§ 106-345. Importation of cattle.

Whenever a county board shall cooperate with the State and federal governments, whether with or without an election, no cattle except for immediate slaughter shall be brought into the county unless accompanied by a tuberculin test chart and health certificate issued by a qualified veterinarian. (1921, c. 177, s. 10; C.S., s. 4895(j).)

§ 106-346. Amount of appropriation.

When cooperative tuberculosis eradication shall be taken up in any county as provided for in G.S. 106-336 to 106-350, the county commissioners of such counties shall appropriate from the general county fund an amount sufficient to defray one half of the expense of said cooperative tuberculosis eradication. (1921, c. 177, s. 11; C.S., s. 4895(k).)

§ 106-347. Qualified veterinarian.

The words "qualified veterinarian" which appear in G.S. 106-336 to 106-350 shall be construed to mean a veterinarian approved by the State Veterinarian and the chief of the United States Bureau of Animal Industry for the tuberculin testing of cattle intended for interstate shipment. (1921, c. 177, s. 12; C.S., s. 4895(l).)

§ 106-348. Rules and regulations.

The Commissioner of Agriculture, by and with the consent of the State Board of Agriculture, shall have full power to promulgate and enforce such rules and regulations as may be necessary to control and eradicate tuberculosis. (1921, c. 177, s. 13; C.S., s. 4895(m).)

§ 106-349. Violation of law a misdemeanor.

Any person or persons who shall violate any provision set forth in G.S. 106-336 to 106-350, or any rule or regulation duly established by the State Board of Agriculture or any officer or inspector who shall willfully fail to comply with any provisions of this law, shall be guilty of a Class 1 misdemeanor. (1921, c. 177, s. 14; C.S., s. 4895(n); 1993, c. 539, s. 770; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 106-350. Sale of tubercular animal a felony.

Any person or persons who shall willfully and knowingly sell or otherwise dispose of any animal or animals known to be affected with tuberculosis without permission as provided for in G.S. 106-338 shall be guilty of a Class I felony. (1921, c. 177, s. 15; C.S., s. 4895(o); 1993, c. 539, s. 1295; 1994, Ex. Sess., c. 24, s. 14(c).)

Part 6. Cattle Tick.

§ 106-351. Systematic dipping of cattle or horses.

Systematic dipping of all cattle or horses infested with or exposed to the cattle tick (*Margaropus annulatus*) shall be taken up in all counties or portions of counties that shall at any time be found partially or completely infested with the cattle tick (*Margaropus annulatus*) under the direction of the State Veterinarian acting under the authority as hereinafter provided in G.S. 106-351 to 106-363 and as provided in all other laws and parts of laws of North Carolina and the livestock sanitary laws and regulations of the State Board of Agriculture not in conflict with G.S. 106-351 to 106-363. (1923, c. 146, s. 1; C.S., s. 4895(p).)

§ 106-352. Counties not embraced in quarantine zones.

If it shall be determined by the State Veterinarian or an authorized quarantine inspector, that any county or counties shall be partially or completely infested with the cattle tick (*Margaropus annulatus*), the county commissioners of said counties which are partially or completely infested with the cattle tick (*Margaropus annulatus*) shall immediately take up the work of systematic tick eradication as hereafter provided and continue same until the cattle tick (*Margaropus annulatus*) is completely eradicated and notice in writing of same is given by the State Veterinarian. (1923, c. 146, s. 3; C.S., s. 4895(r).)

§ 106-353. Dipping vats; counties to provide; cost.

The county commissioners of the aforesaid counties shall provide such numbers of dipping vats as may be fixed by the State Veterinarian or his authorized representative, and provide the proper chemicals and other materials necessary to be used in the work of systematic tick eradication in such counties, which shall begin on said dates and continue until the cattle tick (*Margaropus annulatus*) is completely eradicated and notice in writing of same is given by the State Veterinarian. The cost of said vats and chemicals, or any other expense incurred in carrying out the provisions of G.S. 106-351 to 106-363, except G.S. 106-354 and 106-358, shall be paid out of the general county fund. (1923, c. 146, s. 4; C.S., s. 4895(s).)

§ 106-354. Local State inspectors; commissioned as quarantine inspectors; salaries, etc.

The State Veterinarian shall appoint the necessary number of local State inspectors to assist in systematic tick eradication, who shall be commissioned by the Commissioner of Agriculture as quarantine inspectors. The salaries of said inspectors shall be sufficient to insure the employment of competent men. If the service of any of said inspectors is not satisfactory to the State Veterinarian, his services shall be immediately discontinued and his commission canceled. (1923, c. 146, s. 5; C.S., s. 4895(t); 1925, c. 275, s. 6.)

§ 106-355. Enforcement of compliance with law.

If the county commissioners shall fail, refuse or neglect to comply with the provisions of G.S. 106-351 to 106-363, the State Veterinarian shall apply to any court of competent jurisdiction for a writ of mandamus, or shall institute such other proceedings as may be necessary and proper to compel such county commissioners to comply with the provisions of G.S. 106-351 to 106-363. (1923, c. 146, s. 6; C.S., s. 4895(u).)

§ 106-356. Owners of stock to have same dipped; supervision of dipping; dipping period.

Any person or persons, firms or corporations, owning or having in charge any cattle, horses or mules in any county where tick eradication shall be taken up, or is in progress under existing laws, shall, on notification by any quarantine inspector to do so, have such cattle, horses or mules dipped regularly every 14 days in a vat properly charged with arsenical solution as recommended by the United States Bureau of Animal Industry, under the supervision of said inspector at such time and place and in such manner as may be designated by the quarantine inspector. The dipping period shall be continued as long as may be required by the rules and regulations of the State Board of Agriculture, which shall be sufficient in number and length of time to completely destroy and eradicate all cattle ticks (*Margaropus annulatus*) in such county or counties. (1923, c. 146, s. 7; C.S., s. 4895(v).)

§ 106-357. Service of notice.

Quarantine and dipping notice for cattle, horses and mules, the owner or owners of which cannot be found, shall be served by posting copy of such notice in not less than three public places within the county, one of which shall be placed at the county courthouse. Such posting shall be due and legal notice. (1923, c. 146, s. 8; C.S., s. 4895(w).)

§ 106-358. Cattle placed in quarantine; dipping at expense of owner.

Cattle, horses or mules infested with or exposed to the cattle tick (*Margaropus annulatus*) the owner or owners of which, after five days' written notice from a quarantine inspector of such animals as is provided for in G.S. 106-357, shall fail or refuse to dip such animals regularly every 14 days in a vat properly charged with arsenical solution, as recommended by the United States Bureau of Animal Industry, under the supervision of a quarantine inspector, shall be placed in quarantine, dipped and cared for at the expense of the owner or owners, by the quarantine inspector. (1923, c. 146, s. 9; C.S., s. 4895(x).)

§ 106-359. Expense of dipping as lien on animals; enforcement of lien.

Any expense incurred in the enforcement of G.S. 106-358 and the cost of feeding and caring for animals while undergoing the process of tick eradication shall constitute a lien upon any animal, and should the owner or owners fail or refuse to pay said expense, after three days' notice, they shall be sold by the sheriff of the county after 20 days' advertising at the courthouse door and three other public places in the immediate neighborhood of the place at which the animal was taken up for the purpose of tick eradication. The said advertisement shall state therein the time and place of sale, which place shall be where the animal is confined. The sale shall be at public auction and to the highest bidder for cash. Out of the proceeds of the sale the sheriff shall pay the cost of publishing the notices of the tick-eradication process, including dipping, cost of feeding and caring for the animals and cost of the sale, which shall include one dollar and fifty cents (\$1.50) in the case of each sale to said sheriff. The surplus, if any, shall be paid to the owner of the animal if he can be ascertained. If he cannot be ascertained within 30 days after such sale, then the sheriff shall pay such surplus to the county treasurer for the benefit of the public school fund of the county: Provided, however, that if the owner of the animal shall, within 12 months after the fund is turned over to the county treasurer, as aforesaid, prove to the satisfaction of the board of county commissioners of the county that he was the owner of such animal, then, upon the order of said board, such surplus shall be refunded to the owner. (1923, c. 146, s. 10; C.S., s. 4895(y).)

§ 106-360. Duty of sheriff.

It shall be the duty of the sheriff, in any county in which the work of tick eradication is in progress, to render all quarantine inspectors any assistance necessary in the enforcement of G.S. 106-351 to 106-363 and the regulations of the North Carolina Department of Agriculture and Consumer Services. If the sheriff of any county shall neglect, fail or refuse to render his assistance when so required, he shall be guilty of a Class 1 misdemeanor. (1923, c. 146, s. 11; C.S., s. 4895(z); 1993, c. 539, s. 771; 1994, Ex. Sess., c. 24, s. 14(c); 1997-261, s. 109.)

§ 106-361. Rules and regulations.

The Commissioner of Agriculture, by and with the consent of the State Board of Agriculture, shall have full power to promulgate and enforce such rules and regulations that may hereafter be necessary to complete tick eradication in North Carolina. (1923, c. 146, s. 12; C.S., s. 4895(aa).)

§ 106-362. Penalty for violation.

Any person, firm or corporation who shall violate any provisions set forth in G.S. 106-351 to 106-363 or any rule or regulation duly established by the State Board of Agriculture, or any officer or inspector who shall willfully fail to comply with any provision of G.S. 106-351 to 106-363 shall be guilty of a Class 1 misdemeanor. (1923, c. 146, s. 13; C.S., s. 4895(bb); 1993, c. 539, s. 772; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 106-363. Damaging dipping vats a felony.

Any person or persons who shall willfully damage or destroy by any means any vat erected, or in the process of being erected, as provided for tick eradication, shall be guilty of a Class H felony. (1923, c. 146, s. 14; C.S., s. 4895(cc); 1993, c. 539, s. 1296; 1994, Ex. Sess., c. 24, s. 14(c).)

Part 7. Rabies.

§§ 106-364 through 106-387: Repealed by Session Laws 1983, c. 891, s. 8.

Part 8. Brucellosis (Bang's Disease).

§ 106-388. Animals affected with, or exposed to, brucellosis declared subject to quarantine, etc.

It is hereby declared that the disease of animals known as brucellosis, or Bang's disease, is of an infectious and contagious nature, and animals affected with, or exposed to, or suspected of being carriers of the disease, shall be subject to quarantine and the rules and regulations of the Department of Agriculture and Consumer Services. (1937, c. 175, s. 1; 1967, c. 511; 1997-261, s. 109.)

§ 106-389. Brucellosis defined; program for vaccination; sale, etc., of vaccine; cooperation with the United States Department of Agriculture.

"Brucellosis" shall mean the disease wherein an animal is infected with *Brucella* organisms (including *Brucella Abortus*, *B. Melitensis* and *B. Suis*), irrespective of the occurrence or absence of abortion or other symptoms. An animal shall be declared affected with brucellosis if it is classified as a reactor to a serological test for the disease, or if the *Brucella* organism has been found in the body, its secretions or discharges. The State Veterinarian is hereby authorized and empowered to set up a program for the vaccination of calves in accordance with the recommendations of the Brucellosis Committee of the United States Livestock Sanitary Association, and approved by the United States Department of Agriculture, when in his opinion vaccination is necessary for the control and eradication of brucellosis. Vaccinated animals shall be permanently identified by tattooing or other methods approved by the Commissioner of Agriculture. Above the ages designated by regulation of the Board of Agriculture, all such vaccinates classified as reactors on an official test for brucellosis, shall be considered as affected with brucellosis and shall be branded with the letter "B" in accordance with G.S. 106-390. It shall be unlawful to sell, offer for sale, distribute, or use brucellosis vaccine or any product containing live *Brucella* organisms, except as provided for in regulations adopted by the Board of Agriculture.

The control and eradication of brucellosis in the herds of North Carolina shall be conducted as far as available funds will permit, and in accordance with the rules and regulations made by the Board of Agriculture. The Board of Agriculture is hereby authorized to cooperate with the United States Department of Agriculture in the control and eradication of brucellosis. (1937, c. 175, s. 2; 1945, c. 462, s. 1; 1953, c. 1119; 1967, c. 511.)

§ 106-390. Blood sample testing; diseased animals to be branded and quarantined; sale; removal of identification, etc.

All blood samples for the brucellosis test shall be drawn by persons whose qualifications are set by regulation of the Board of Agriculture. Animals from which blood is collected for a brucellosis test shall be identified by numbered ear tag, tattoo, or in some other manner approved by the Commissioner of Agriculture. It shall be the duty of the person who collects the blood sample, or other designated authorized person, to brand all cattle affected with brucellosis with the letter "B" on the left hip or jaw, not less than three or more than four inches high, tag such animals with an approved brucellosis reactor ear tag, and report the same to the State Veterinarian. It shall

be the duty of the person owning said cattle at the time of said testing to assist with and cooperate with the person testing said cattle. Cattle affected with brucellosis shall be quarantined and slaughtered at a State or federally inspected slaughter plant within 10 days after branding and tagging; provided the State Veterinarian, in his discretion, may grant an extension of time for said slaughter not to exceed 30 days; and provided further that the Commissioner of Agriculture may allow a branded and tagged animal having unusual breeding value to be held for a period of time determined by him under conditions of isolation and quarantine prescribed by the State Veterinarian. Animals believed by the State Veterinarian or his authorized representative to have been exposed to brucellosis, or animals classified as suspects, shall be quarantined on the owner's premises or at such other place as is mutually agreeable to the owner and the State Veterinarian until the quarantine is removed in accordance with law or until the animal is disposed of in accordance with law. No animal affected with, or exposed to, brucellosis shall be sold, traded or otherwise disposed of except for immediate slaughter, and it shall be the duty of the person disposing of such infected animals to see that they are promptly slaughtered and a written report of same made to the State Veterinarian.

All cattle, swine, sheep, goats or other animals subject to infection by *Brucella* organisms, sold, or offered at public sale, except for immediate slaughter, shall be subject to test requirements established by the Board of Agriculture.

No ear tag, back tag, or other mark of identification approved by the Commissioner of Agriculture for identifying animals for the purpose of brucellosis testing, including testing at slaughter plants, shall be removed from the animal without authorization from the State Veterinarian or his authorized representative. (1937, c. 175, s. 3; 1945, c. 462, s. 2; 1959, c. 1171; 1963, c. 489; 1967, c. 511; 1969, c. 465.)

§ 106-391. Civil liability of vendors.

Any person or persons who knowingly sells, or otherwise disposes of, to another, an animal affected with brucellosis shall be liable in a civil action to any person injured, and for any and all damages resulting therefrom. (1937, c. 175, s. 4; 1967, c. 511.)

§ 106-392. Sales by nonresidents.

When cattle are sold, or otherwise disposed of, in this State, by a nonresident of this State, the person or persons on whose premises the cattle are sold, or otherwise disposed of, with his knowledge and consent, shall be equally responsible for violations of G.S. 106-388 to 106-398 and the regulations of the Department of Agriculture and Consumer Services. (1937, c. 175, s. 5; 1967, c. 511; 1997-261, s. 109.)

§ 106-393. Duties of State Veterinarian; quarantine of animals; required testing.

When the State Veterinarian receives information, or has reasonable grounds to believe, that brucellosis exists in any animal, or animals, or that it has been exposed to the disease, he shall promptly cause said animal, or animals, to be quarantined on the premises of owner or such other place as is mutually agreeable to the owner and the State Veterinarian or his authorized representative. Said animals shall not be removed from premises where quarantined until quarantine has been released by State Veterinarian or his authorized representative. A permit to move such infected or exposed animals to immediate slaughter may be issued by the State Veterinarian or his authorized representative. The Board of Agriculture is empowered to make

regulations to provide for compulsory testing of animals for brucellosis. (1937, c. 175, s. 6; 1967, c. 511.)

§ 106-394. Cooperation of county boards of commissioners.

The several boards of county commissioners in the State are hereby expressly authorized and empowered within their discretion to make such appropriations from the general funds of their county as will enable them to cooperate effectively with the State and United States Departments of Agriculture in the eradication of brucellosis in their respective counties. (1937, c. 175, s. 7; 1967, c. 511.)

§ 106-395. Compulsory testing.

Whenever a county board of commissioners shall cooperate with the State and the United States governments, as provided for in G.S. 106-388 to 106-398, the testing of all cattle in said county shall become compulsory, and it shall be the duty of the cattle owners to give such assistance as may be necessary for the proper testing of said cattle. (1937, c. 175, s. 8; 1967, c. 511.)

§ 106-396. Authority to promulgate and enforce rules and regulations.

The Commissioner of Agriculture, by and with the consent of the State Board of Agriculture, shall have full power to promulgate and enforce such rules and regulations as may be necessary to carry out the provisions of G.S. 106-388 to 106-398, and for the effective control and eradication of brucellosis, including the establishment of fees and charges for the collection of blood samples. (1937, c. 175, s. 10; 1967, c. 511; 1981, c. 495, s. 8.)

§ 106-397. Violation made misdemeanor.

Any person or persons who shall violate any provision set forth in G.S. 106-388 to 106-398, or any rule or regulation duly established pursuant to this Article by the State Board of Agriculture or any inspector who shall willfully fail to comply with any provisions of G.S. 106-388 to 106-398, shall be guilty of a Class 1 misdemeanor. (1937, c. 175, s. 11; 1967, c. 511; 1993, c. 539, s. 773; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 106-398. Punishment for sale of animals known to be infected, or under quarantine.

Any person or persons who shall willfully and knowingly sell or otherwise dispose of any animal or animals known to be affected with brucellosis, or under quarantine because of suspected exposure to brucellosis, except as provided for in G.S. 106-388 to 106-398, shall be guilty of a Class 1 misdemeanor. (1937, c. 175, s. 12; 1967, c. 511; 1993, c. 539, s. 774; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 106-399. Repealed by Session Laws 1967, c. 511.

§§ 106-399.1 through 106-399.3. Reserved for future codification purposes.

Part 9. Control of Livestock Diseases.

§ 106-399.4. Imminent threat of contagious animal disease; emergency measures and procedures.

(a) When determined by the State Veterinarian, in consultation with the Commissioner of Agriculture and with the approval of the Governor, that there is an imminent threat within the State of a contagious animal disease that has the potential for very serious and rapid spread, is of serious socioeconomic and public health consequence, or is of major importance in the international trade of animals and animal products, the State Veterinarian or an authorized representative may develop and implement any emergency measures and procedures that the State Veterinarian determines necessary to prevent and control the animal disease. Any emergency measure or procedure relating to composting of dead domesticated animals pursuant to this Part shall be deemed to be permitted pursuant to G.S. 143-215.1(b) and it shall not be necessary for the Department of Environmental Quality to issue individual permits.

(b) Written notice of emergency procedures and measures implemented under this section, including an identification of the disease threat and a description of any potentially infected area and animal, shall be mailed or delivered to news media, farm organizations, agriculture agencies, and any other interested or affected parties as determined by the State Veterinarian. Such emergency procedures and measures may include, but are not limited to, restrictions on the transportation of any potentially infected animals, restrictions on the transportation of agriculture products and other commodities into and out of potentially infected areas, restrictions on access to potentially infected areas, quarantines under G.S. 106-401(a), emergency disinfectant and other control measures at all portals of entry into the State, including airports, ports, and other transportation corridors, and any other measures necessary to prevent and control the threat of disease infection.

(c) All State agencies and political subdivisions of the State shall cooperate with the implementation of the emergency procedures and measures developed under this section. All State agencies and political subdivisions of the State shall comply with the emergency procedures and measures developed under this section.

(d) When determined by the State Veterinarian, in consultation with the Commissioner of Agriculture and with the approval of the Governor, that there is an imminent threat within the State of a contagious animal disease that has the potential for very serious and rapid spread, is of serious socioeconomic and public health consequence, or is of major importance in the international trade of animals and animal products, the State Veterinarian or an authorized representative may enter any property in the State to examine any animal that the State Veterinarian has reasonable grounds to believe is infected with or exposed to a contagious animal disease. The owner or operator of the premises on which the animal is located shall permit entry on the premises by the State Veterinarian or an authorized representative and shall cooperate with the State Veterinarian or an authorized representative. The provisions of G.S. 106-401(a) with respect to obtaining an emergency order do not apply to this subsection. (2001-12, s. 1; 2003-6, s. 1; 2005-21, s. 1; 2009-103, s. 1; 2015-241, s. 14.30(c); 2015-263, s. 33(a).)

§ 106-399.5. Warrantless inspections.

When determined by the State Veterinarian, in consultation with the Commissioner of Agriculture and with the approval of the Governor, that there is an imminent threat within the State of a contagious animal disease that has the potential for very serious and rapid spread, is of serious socioeconomic and public health consequence, or is of major importance in the international trade of animals and animal products, the State Veterinarian or an authorized representative may stop and inspect without a warrant any individual or any motor vehicle on a public or private road that is moving:

- (1) Into the State from any other country, to determine whether the individual or motor vehicle is carrying any animal or any article that is capable of introducing or spreading the animal disease.
- (2) In interstate commerce, upon probable cause to believe that the individual or motor vehicle is carrying any animal or any article that is capable of introducing or spreading the animal disease.
- (3) In intrastate commerce from any other portion of the State or from any premises or area quarantined under G.S. 106-401, upon probable cause to believe that the individual or motor vehicle is carrying any animal or any article that is capable of introducing or spreading the animal disease. (2001-12, s. 1; 2003-6, s. 1; 2005-21, s. 1; 2009-103, s. 1.)

§ 106-400. Sale or transportation of animals affected with disease prohibited.

No person shall sell, trade, offer for sale or trade, or transport by motor vehicle on any public road or other public place within the State any animal affected with a contagious animal disease, unless permitted by the State Veterinarian in writing and in accordance with the provisions of the permit. The State Veterinarian or an authorized representative may examine any animal that is being transported or moved, sold, traded, or offered for sale or trade on any public road or other public place within the State for the purpose of determining if the animal is affected with a contagious animal disease or is being transported or offered for sale or trade in violation of this Part. If the animal is found to be diseased or is being moved, sold, offered for sale or trade in violation of this Part, it shall be placed under quarantine under G.S. 106-401 in a place to be determined by the State Veterinarian or an authorized representative. Any animal shipped or otherwise moved into this State in violation of federal laws or regulations shall be handled in accordance with the provisions of this Part. (1939, c. 360, s. 1; 2001-12, s. 5; 2003-6, s. 1; 2005-21, s. 1; 2009-103, s. 1.)

§ 106-400.1. Swine disease testing.

In order to control or prevent the spread of swine diseases, the Board of Agriculture may adopt rules authorizing the State Veterinarian or an authorized representative to enter, at reasonable times, the premises where swine are kept and to examine the swine and obtain blood or tissue samples for testing purposes. The State Veterinarian may quarantine swine that have not been properly tested. (1987, c. 793, s. 1; 2001-12, s. 6; 2003-6, s. 1; 2005-21, s. 1; 2009-103, s. 1.)

§ 106-401. State Veterinarian authorized to quarantine.

(a) The State Veterinarian or an authorized representative may enter any property in the State or stop any motor vehicle on a public or private road to examine any animal that the State

Veterinarian has reasonable grounds to believe is affected with or exposed to a contagious animal disease. If the person refuses to consent to the entry and examination after the State Veterinarian or an authorized representative has notified, in writing, the owner or person in whose custody the animal is found, of the intention to enter the property and conduct the examination, the State Veterinarian or an authorized representative may petition the district court in the county where the animal is found for an emergency order authorizing the entry and examination. The State Veterinarian or an authorized representative may quarantine any animal affected with or exposed to a contagious disease, or injected with or otherwise exposed to any material capable of producing a contagious disease and shall give public notice of the quarantine by posting or placarding with a suitable quarantine sign the entrance to any part of the premises on which the animal is held. The animal shall be maintained by the owner of the animal or the owner or operator of the premises in accordance with this Part at the expense of the owner of the animal or the owner or operator of the premises. No animal under quarantine shall be removed from the place of quarantine unless permitted by the State Veterinarian or an authorized representative in writing. The quarantine shall remain in effect until cancelled by official written notice from the State Veterinarian or an authorized representative, and the quarantine shall not be cancelled until any sick or diseased animal has been properly disposed of and the premises have been properly cleaned and disinfected.

(b) When determined by the State Veterinarian, in consultation with the Commissioner of Agriculture and with the approval of the Governor, that there is an imminent threat within the State of a contagious animal disease that has the potential for very serious and rapid spread, is of serious socioeconomic and public health consequence, or is of major importance in the international trade of animals and animal products, the State Veterinarian or an authorized representative may quarantine areas within the State. As part of the quarantine under this subsection, the State Veterinarian or an authorized representative may enter any property in the State to examine any animal, to obtain blood and tissue samples for testing for the animal disease, and for any other reason directly related to preventing or controlling the animal disease, and may stop motor vehicles on a public or private road. The provisions of subsection (a) of this section with respect to obtaining an emergency order do not apply to this subsection. Written notice of the quarantine, including a description of the area and the type of animal affected by the disease, shall be mailed or delivered to news media, farm organizations, agriculture agencies, and other entities reasonably calculated to give notice of the quarantine to affected animal owners, to the owners or operators of affected premises, and to the public. No animal subject to the quarantine shall be moved to any other premises unless permitted by the State Veterinarian or an authorized representative in writing. (1939, c. 360, s. 2; 1971, c. 724; 2001-12, s. 2; 2003-6, s. 1; 2005-21, s. 1; 2009-103, s. 1.)

§ 106-401.1. Inspection and quarantine of poultry.

The State Veterinarian or an authorized representative may enter any property in the State or stop any motor vehicle to examine any poultry that the State Veterinarian has reason to believe is affected with or exposed to a contagious animal disease. The State Veterinarian or an authorized representative may quarantine any poultry affected with or exposed to a contagious disease or injected with or otherwise exposed to any material capable of producing a contagious disease and give public notice of the quarantine by posting or placarding with a suitable quarantine sign the entrance to or any part of the premises on which the poultry is held. The poultry shall be maintained by the poultry owner or the owner or operator of the premises in accordance with this Part at the expense of the poultry owner or the owner or operator of the premises. The quarantine under this section does not apply to those diseases that are endemic in the State and for which adequate

preventive and control measures are not available. No poultry under quarantine shall be moved from the place of quarantine, unless permitted by the State Veterinarian or an authorized representative in writing. The quarantine shall remain in effect until cancelled by official written notice from the State Veterinarian or an authorized representative and shall not be released or cancelled until the sick or dead poultry have been properly disposed of and the premises have been properly cleaned and disinfected. (1969, c. 693, s. 1; 2001-12, s. 7; 2003-6, s. 1; 2005-21, s. 1; 2009-103, s. 1.)

§ 106-402. Confinement and isolation of diseased animals required.

Any animal or poultry affected with or exposed to a contagious animal disease shall be confined by the owner of the animal or poultry or the owner or operator of the premises in such a manner, by penning or otherwise securing and actually isolating the animal or poultry from the approach or contact with other animals or poultry not so affected; it shall not have access to any ditch, canal, branch, creek, river, or other surface water that passes beyond the affected premises, to any public road, or to the premises of any other person. (1939, c. 360, s. 3; 1969, c. 693, s. 2; 2001-12, s. 8; 2003-6, s. 1; 2005-21, s. 1; 2009-103, s. 1.)

§ 106-402.1. Movement of animals prohibited; destruction of animals to control animal disease authorized.

(a) When determined by the State Veterinarian, in consultation with the Commissioner of Agriculture and with the approval of the Governor, that there is an imminent threat within the State of a contagious animal disease that has the potential for very serious and rapid spread, is of serious socioeconomic and public health consequence, or is of major importance in the international trade of animals and animal products or that it is necessary to control a contagious animal disease, the State Veterinarian or an authorized representative may prohibit the movement of any animal to or from any premises used for shows, sales, markets, fairs, exhibitions, processing or rendering facilities, or other public or private assembly or may prohibit commingling of animals. Written notice of the prohibition under this subsection shall be mailed, delivered, or otherwise provided to the owner or operator of the premises by any means reasonably calculated to give notice. The owner or operator of the premises shall not permit any animal to enter or remain on the premises in violation of this section.

(b) When determined by the State Veterinarian, in consultation with the Commissioner of Agriculture and with the approval of the Governor, that there is an imminent threat within the State of a contagious animal disease that has the potential for very serious and rapid spread, is of serious socioeconomic and public health consequence, or is of major importance in the international trade of animals and animal products or that it is necessary to control a contagious animal disease, the State Veterinarian may order the destruction of any animal and, after consulting with the State Health Director, the proper disposal of the animal. G.S. 106-403 does not apply to the disposal of animals under this subsection. The order shall be in writing and shall include the manner in which the destruction of the animal will be carried out. The order shall be delivered to the owner of the animal and the owner or operator of the premises on which the animal is located by certified mail or any other means reasonably calculated to give the owner of the animal and the owner or operator of the premises notice. In the event the owner of the animal and the owner or operator of the premises cannot be notified, the State Veterinarian or an authorized representative may seize and destroy the animal. The owner or operator of the premises on which the animal is located shall

permit entry on the premises by the State Veterinarian or an authorized representative and shall cooperate with the State Veterinarian or an authorized representative. The provisions of G.S. 106-401(a) with respect to obtaining an emergency order do not apply to this subsection.

(c) When determined by the State Veterinarian, in consultation with the Commissioner of Agriculture and with the approval of the Governor, that there is an imminent threat within the State of a contagious animal disease that has the potential for very serious and rapid spread, is of serious socioeconomic and public health consequence, or is of major importance in the international trade of animals and animal products or that it is necessary to control a contagious animal disease, the State Veterinarian may require the Executive Director of the Wildlife Resources Commission to develop a plan to address the movement of wildlife and the destruction of wildlife. (2001-12, s. 3; 2003-6, s. 1; 2005-21, s. 1; 2009-103, s. 1.)

§ 106-403. Disposition of dead domesticated animals.

It is the duty of the owner of domesticated animals that die from any cause and the owner or operator of the premises upon which any domesticated animals die, to bury the animals to a depth of at least three feet beneath the surface of the ground within 24 hours after knowledge of the death of the domesticated animals, or to otherwise dispose of the domesticated animals in a manner approved by the State Veterinarian. It is a violation of this section to bury any dead domesticated animal closer than 300 feet to any flowing stream or public body of water. It is unlawful for any person to remove the carcasses of dead domesticated animals from the person's premises to the premises of any other person without the written permission of the person having charge of the other premises and without burying the carcasses as provided under this section. The governing body of each municipality shall designate some appropriate person whose duty it shall be to provide for the removal and disposal, according to the provisions of this section, of any dead domesticated animals located within the limits of the municipality when the owner of the animals cannot be determined. The board of commissioners of each county shall designate some appropriate person whose duty it shall be to provide for the removal and disposal under this section, of any dead domesticated animals located within the limits of the county, but without the limits of any municipality, when the owner of the animals cannot be determined. All costs incurred by a municipality or county in the removal of dead domesticated animals shall be recoverable from the owner of the animals upon admission of ownership or conviction. "Domesticated animal" as used in this section includes poultry. (1919, c. 36; C.S., s. 4488; 1927, c. 2; 1939, c. 360, s. 4; 1971, c. 567, ss. 1, 2; 2001-12, s. 9; 2003-6, s. 1; 2005-21, s. 1; 2009-103, s. 1.)

§ 106-404. Animals affected with glanders to be killed.

If the owner of any animal having the glanders or farcy omits or refuses, upon discovery or knowledge of its condition, to destroy the animal at once, that person is guilty of a Class 3 misdemeanor. (1881, c. 368, s. 8; Code, s. 2489; 1891, c. 65; Rev., s. 3296; C.S., s. 4489; 1993, c. 539, s. 775; 1994, Ex. Sess., c. 24, s. 14(c); 2001-12, s. 10; 2003-6, s. 1; 2005-21, s. 1; 2009-103, s. 1.)

§ 106-405. Prohibited acts; penalties.

(a) Except as provided in G.S. 106-404, any person who knowingly and willfully violates any provision of this Part is guilty of a Class 2 misdemeanor.

(b) It is prohibited that any person knowingly and willfully:

- (1) Hide or conceal any animals that are subject to a quarantine under this Part.
- (2) Fail to report the occurrence of an animal disease for which a quarantine under this Part is in effect.

(c) Any person who has committed an act that is prohibited under subsection (b) of this section shall be subject to an administrative penalty not to exceed ten thousand dollars (\$10,000) per violation. Each act in violation of subsection (b) of this section is a separate violation. (1939, c. 360, s. 6; 1969, c. 693, s. 3; 1993, c. 539, s. 776; 1994, Ex. Sess., c. 24, s. 14(c); 2001-12, s. 4; 2003-6, s. 1; 2005-21, s. 1; 2009-103, s. 1.)

Part 10. Feeding Garbage to Swine.

§ 106-405.1. Definitions.

For the purpose of this Part, the following words shall have the meanings ascribed to them in this section:

- (1) "Garbage" means consisting in whole or in part of animal waste resulting from handling, preparing, cooking and consuming food, including the offal from or parts thereof; provided that the Commissioner of Agriculture or his authorized representative is empowered to exempt from this definition the waste resulting from the processing of seafood.
- (2) "Person" means the State, any municipality, political subdivision, institution, public or private corporation, individual, partnership, or any other entity. (1953, c. 720, s. 1; 1967, c. 872, s. 1.)

§ 106-405.2. Permit for feeding garbage to swine.

(a) No person shall feed garbage to swine without first securing a permit therefor from the North Carolina Commissioner of Agriculture or his authorized agent. Such permits shall be issued for a period of one year and shall be renewable on the date of expiration.

(b) No permit shall be issued or renewed for garbage feeding under this Part in any county or other subdivision in which local regulations to prohibit garbage feeding are in effect.

(c) This Part shall not apply to any individual who feeds only his own household garbage to swine: Provided, that any such swine sold or disposed of shall be sold or disposed of in accordance with rules and regulations promulgated by the State Board of Agriculture.

(d) This Part shall not apply to any person who holds a valid federal permit under the Swine Health Protection Act, P.L. 96-468. (1953, c. 720, s. 2; 1971, c. 566, s. 1; 1981, c. 392.)

§ 106-405.3. Application for permit.

(a) Any person desiring to obtain a permit to feed garbage to swine shall make written application therefor to the North Carolina Commissioner of Agriculture in accordance with requirements of this Part.

(b) The Commissioner of Agriculture is hereby authorized to collect a fee of twenty-five dollars (\$25.00) for each permit issued to a garbage feeder under the provisions of this Part. The fees provided for in this Part shall be used exclusively for the enforcement of this Part.

(c) No permit fee shall be collected from any federal, State, county, or municipal institution. (1953, c. 720, s. 3; 1967, c. 872, s. 2.)

§ 106-405.4. Revocation of permits.

Upon determination that any person, having a permit issued under this Part or one who has applied for a permit hereunder, has violated or failed to comply with any provisions of this Part, the North Carolina Commissioner of Agriculture may revoke such permit or refuse to issue a permit to an applicant therefor. (1953, c. 720, s. 4.)

§ 106-405.5. Sanitation.

Premises on which garbage feeding is permitted under this Part must be equipped with feeding platforms constructed of concrete, wood or other impervious material, or troughs of such material of sufficient size to accommodate the swine herd. Premises must be kept free of collections of unused garbage and waste materials. Sanitation, rat and fly control measures must be practiced as a further means of the prevention of the spread of diseases. (1953, c. 720, s. 5.)

§ 106-405.6. Cooking or other treatment.

All garbage, regardless of previous processing, shall, before being fed to swine, be thoroughly heated to at least 212 degrees F. for at least 30 minutes unless treated in some other manner which shall be approved in writing by the North Carolina Commissioner of Agriculture as being equally effective for the protection of animal and human health. (1953, c. 720, s. 6.)

§ 106-405.7. Inspection and investigation; maintenance of records.

(a) Any authorized representative of the North Carolina Commissioner of Agriculture shall have the power to enter at reasonable times upon any private or public property for the purpose of inspecting and investigating conditions relating to the proper treatment of garbage to be fed to swine, sanitation of the premises and health of the animals.

(b) Garbage feeders shall keep a complete permanent record relating to the operation of equipment and their procedure of treating garbage, and also from whom all swine are received and to whom sold for immediate slaughter. Such record is to be available to the Commissioner of Agriculture or his authorized representative.

(c) Any operator, manager or person in charge of a restaurant, cafe, boardinghouse, school, hospital, or other public or private place where food is served to persons other than members of the immediate family or nonpaying guests of such operator, manager, or person in charge, shall not allow or permit garbage to be removed from the premises thereof unless the person removing said garbage is in possession of a valid garbage-feeding permit issued by the North Carolina Department of Agriculture and Consumer Services, or unless such person removing said garbage is in possession of a document from the county department of health wherein such garbage is located stating that the person removing said garbage is authorized to dispose of such garbage in a legal manner or unless such person removing said garbage is an employee of a municipality engaged in the regular collection of garbage for said municipality. The name and address or license number of any motor vehicle of any person removing garbage other than under authorization from the county department of health, the North Carolina Department of Agriculture and Consumer Services or a municipality, shall be reported by such operator, manager or person in charge, to the State Veterinarian within five days after the first removal of such garbage is made. (1953, c. 720, s. 7; 1971, c. 566, s. 2; 1997-261, s. 109.)

§ 106-405.8. Enforcement of Part; rules and regulations.

The North Carolina Commissioner of Agriculture is hereby charged with the administration and enforcement of the provisions of this Part. The North Carolina Commissioner of Agriculture, by and with the consent of the State Board of Agriculture, shall have full power to cooperate with the United States Bureau of Animal Industry in the control and eradication of vesicular exanthema.

The Commissioner of Agriculture, by and with the consent of the State Board of Agriculture, shall have full power to promulgate and enforce such rules and regulations that may hereafter be necessary to carry out the provisions of this Part. (1953, c. 720, s. 8.)

§ 106-405.9. Penalties.

Any person, firm or corporation who shall knowingly violate any provisions set forth in this Part or any rule or regulation duly established by the State Board of Agriculture, or any officer or inspector who shall willfully fail to comply with any provisions of this Part shall be guilty of a Class 1 misdemeanor. Such person, firm, or corporation may be enjoined from continuing such violation. (1953, c. 720, s. 9; 1993, c. 539, s. 777; 1994, Ex. Sess., c. 24, s. 14(c).)

§§ 106-405.10 through 106-405.14. Reserved for future codification purposes.

Part 11. Equine Infectious Anemia.

§ 106-405.15. "Equine infectious anemia" defined.

Equine infectious anemia shall mean the disease wherein an animal is infected with the virus of equine infectious anemia, irrespective of the occurrence or absence of clinical signs of the disease. An animal shall be declared infected with equine infectious anemia if it is classified as a reactor to a serological test or other test approved by the State Veterinarian. (1973, c. 1198, s. 1.)

§ 106-405.16. Animals infected with or exposed to equine infectious anemia declared subject to quarantine.

It is hereby declared that the disease of horses, ponies, mules and asses (and other equine animals) known as equine infectious anemia is of an infectious and contagious nature and that animals infected with, exposed to, or suspected of being carriers of the disease shall be subject to quarantine and identification as required by the rules and regulations of the North Carolina Department of Agriculture and Consumer Services. (1973, c. 1198, s. 2; 1997-261, s. 109.)

§ 106-405.17. Authority to promulgate and enforce rules and regulations.

The State Board of Agriculture shall have full power to promulgate and enforce such rules and regulations as it deems necessary for the control and eradication of equine infectious anemia. This authority shall include, but not be limited to, the power to make regulations requiring the testing of horses, ponies, mules and asses for equine infectious anemia prior to sale, exhibition or assembly at public stables or other public places, and authority to require the owner, operator or person in charge of shows, sales, public stables and other public places to require proof of freedom from equine infectious anemia before any animal is permitted to remain on the premises. The Board shall also have the authority to set fees for such tests as necessary to recover the costs to the North

Carolina Department of Agriculture and Consumer Services. (1973, c. 1198, s. 3; 1981, c. 495, s. 7; 1997-261, s. 109.)

§ 106-405.18. Implementation of control and eradication program.

The control and eradication of equine infectious anemia in North Carolina shall be conducted as far as available funds will permit, and in accordance with the rules and regulations made by the Board of Agriculture. The Board of Agriculture is hereby authorized to cooperate with the U.S. Department of Agriculture in the control and eradication of equine infectious anemia. (1973, c. 1198, s. 4.)

§ 106-405.19. Violation made misdemeanor.

Any person who shall willfully move, direct the movement, or allow to be moved, from the premises where quartered any animal or animals known to be infected with equine infectious anemia, or under quarantine because of suspected exposure to equine infectious anemia, or who shall violate any provision of this Part or any rule or regulation promulgated by the Board of Agriculture under this Part shall be guilty of a Class 1 misdemeanor. (1973, c. 1198, s. 5; 1993, c. 539, s. 778; 1994, Ex. Sess., c. 24, s. 14(c).)

Part 12. Penalties.

§ 106-405.20. Civil penalties.

The Commissioner may assess a civil penalty of not more than five thousand dollars (\$5,000) against any person who violates a provision of this Article or any rule promulgated thereunder. In determining the amount of the penalty, the Commissioner shall consider the degree and extent of harm caused by the violation.

The clear proceeds of civil penalties assessed pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1995, c. 516, s. 8; 1998-215, s. 12.)
